

POU Big Belly Range

Ideal for high volume needs

The AWC Big Belly freestanding series POU [point of use] water coolers are Australia's number one selling, mains connected, drain free units. Preferred by the filtration industry because of their build quality, reliability and their huge 12 litre cooling reservoir, they provide a cost effective means of supplying endless Cold water without the hassle of storing and changing spring-water bottles.

Features

- Plumbs directly to water source
- Complete american designed filter system
- Hot & Cold or Cold & Cool water temperature options
- Large 12 litre reservoir
- Easily cleaned and sanitised
- Easy to operate taps
- Hot water safety tap
- 2-year comprehensive warranty

Performance

Tap 1 outlet water 9°C approx.
 Tap 2 outlet water 18°C approx.
 Hot tap outlet 88°C approx.

Faucets

High impact polypropylene lever type. Fast flow and easy to operate. Hot tap safety tap.

Colour

High gloss cloud white available as standard

Cabinet

Top and front panels are moulded of UV treated ABS and side panels are zinc coated steel sheets covered in electrostatically applied high polymer polyester resin.

The rust-proof top provides a flat surface to hold small coffee servers and trays

Cooling Reservoir

Constructed of polypropylene plastic, approximately 12 litres in capacity. The reservoir features large radius corners to facilitate cleaning. The integrated zoned waterway and baffle system prevents ice rings from restricting chilled water flow. Cold water capacity below the baffle is 4.2 litres. Water above the baffle stays at or about room temperature.

ROOM TEMP	150ML CUPS/HR AT 10°C	LITRES/HR AT 10°C
21°C	44	6.6
27°C	32	4.8
32°C	18	2.7

Hot Tank

500 Watt sheathed heater installed in the tank ensures accurate temperature control. On/Off switch is easily accessible at rear of cabinet. Tank capacity is 2 litres.

Hot water delivery: 15 x 170ml cups p/hr

Drip Tray

Concealed lift-out design of a high impact durable plastic. Removable for sanitation, it incorporates an anti-splash grid which diverts drain water into the drip tray.

Dimensions

31 cm W x 31 cm D x 104 cm H

Warranty

The entire range of AWC Big Belly Series water coolers are covered by our 2 Year Comprehensive Warranty. The warranty provides comprehensive parts and labour coverage, for the period of 2 year from the date of original sale. Additional 1 year extended warranty can also be purchased at time of sale.
